Notes :

(1) All financial instruments are bonds.

(2) The percentages are arrived at by comparing the mark-to-market value of the investments with the gross asset value, which is calculated by reference to the latest published accounts (for the financial year ended 30 June 2018) as adjusted for any distribution declared and published valuation.

(3) Moody's has upgraded the rating of this financial instrument from Baa1 to A3 with effect from 13 September 2018.
