The basis of determination of the number of new Units issued (together with the relevant amounts paid in cash) as payment of the Base Fee and the Variable Fee are consistent with the relevant provisions of the Trust Deed.

In accordance with the Trust Deed, the amount of the Manager's Fees is calculated quarterly on the basis of (i) the value of the relevant properties as set out in the latest published interim report/audited annual accounts of Sunlight REIT (with adjustments being made for the properties acquired/disposed of during the relevant periods, if applicable); and (ii) the Net Property Income as set out in the unaudited quarterly management accounts of Sunlight REIT prepared by the Manager. The payment of the Manager's Fees by way of Units is provided for in the Trust Deed and does not require specific prior approval of Unitholders pursuant to a waiver granted by the SFC. Under the waiver granted by the SFC, the number of Units issued to the Manager as payment of all or part of the Manager's Fees for each financial year will be counted as part of the 20% of Units outstanding at the end of the previous financial year that the Manager may issue in each financial year without requiring Unitholders' approval pursuant to paragraph 12.2 of the REIT Code. In addition, in respect of each financial year, the maximum number of Units that may be issued to the Manager as payment of all or part of the Manager's Fees for that financial year shall be limited to such number of Units as represents 3% of the total number of Units outstanding at the last day of the immediately preceding financial year, plus the number of Units issued (if any) in the relevant financial year for the purposes of financing any acquisition of real estate by

Sunlight REIT. The total number of Units issued to the Manager as payment of the Manager's Fees for the financial year ended 30 June 2022 was 11,322,266, representing approximately 0.68% of the 1,672,133,484 Units in issue at 30 June 2021.
